UNITED STATES DISTRICT COURT  
DISTRICT OF ARIZONA

**ELECTRONICALLY SUBMITTED AFFIDAVIT**

I, FBI Special Agent Kara Kesler, being first duly sworn, hereby depose and state as follows:

**INTRODUCTION AND AGENT BACKGROUND**

1. Your Affiant makes this affidavit in support of an application under Rule 41 of the Federal Rules of Criminal Procedure for a warrant to search the following premises, which are located in the District of Arizona:

- a. a red house with a cream-colored metal roof, located at GPS Coordinates  
36°57'36"N 110°51'48"W (the “**SUBJECT PREMISES**”),

as further described in Attachment A, to search for and seize the items outlined in Attachment B, which represent evidence and/or instrumentalities of the criminal violations of 18 U.S.C. §§ 1153 and 1111 (CIR-Second Degree Murder) and 18 U.S.C. §§ 1153 and 113(a)(6) (CIR-Assault Resulting in Serious Bodily Injury).

2. I am a Special Agent (“SA”) for the Federal Bureau of Investigation (“FBI”) and have been so employed since April of 2023. As a Special Agent of the FBI, I am an “investigative or law enforcement officer” within the meaning of Title 18, United States Code (U.S.C.), Section 2510(7), that is, I am an officer of the United States who is authorized by law to conduct investigations of, and make arrests for, offenses enumerated in Title 18. I have received training on and have experience in investigating all manner of violent crimes on an Indian reservation. I am currently assigned to the Flagstaff Resident Agency. In the course of my official duties, I am charged with investigating crimes occurring on the Navajo Nation Indian Reservation (“Navajo Nation”) within the District of Arizona. Based on my training, education, and experience, I know that the Navajo Nation is a federally recognized tribe.

3. The facts in this affidavit are based upon my own investigation, my training and experience, the investigation of other federal agents and law enforcement officers, either directly or indirectly through their reports or affidavits. This affidavit is intended to show merely that there is sufficient probable cause for the requested warrant and does not set forth all information known to law enforcement at this time.

4. Based on the facts set forth in this affidavit, my training and experience, and in consultation with other experienced investigators, I submit there is probable cause to believe that within the **SUBJECT PREMISES** there is evidence and/or instrumentalities of violations of 18 U.S.C. §§ 1153 and 1111 (CIR-Second Degree Murder) and 18 U.S.C. §§ 1153 and 113(a)(6) (CIR-Assault Resulting in Serious Bodily Injury). There is also probable cause to search the **SUBJECT PREMISES** described in Attachment A for the evidence and/or instrumentalities as further described in Attachment B.

#### **INVESTIGATION/PROBABLE CAUSE**

5. On January 30, 2024, FBI SA Brian McGrew was notified by Navajo Nation Criminal Investigator (CI) Albert Nez that T.N. was shot in Kaibeto, Arizona (“AZ”) near a local marketplace, within the geographical boundaries of the Navajo Nation Reservation. T.N. was found by a passing bystander, B.B., who told law enforcement that T.N. stated he was hit by a vehicle and that his leg was broken. When Navajo Nation Police Department arrived on scene, they observed gunshot wounds to T.N.’s legs. T.N. was medically evacuated to the Flagstaff Medical Center in Flagstaff, AZ where he died.

6. On February 2, 2024, Navajo Nation Police Department received a call from Daniel Nelson reporting that he had information regarding a shooting incident that occurred on January 30, 2024 in Kaibeto, AZ.

7. On February 7, 2024, Daniel Nelson (“Daniel”) was interviewed by Navajo Nation Police Officer Arlin Manygoats. During this interview, Daniel stated that his brother, Tom Nelson Jr. (“NELSON”), told him that he picked up their nephew, T.N., and gave him a ride from Page, AZ to Kaibeto, Arizona. NELSON said that when T.N. left the vehicle, NELSON found out that T.N. stole some alcoholic beverages and food from NELSON’s truck. NELSON said he looked for T.N. and found him on the street, and he shot T.N. in the leg. During the interview, Daniel provided an iPod to Officer Manygoats that he said contained a video recording of NELSON admitting to shooting T.N.

8. On February 21, 2024, I interviewed Daniel and obtained written consent to search his iPod for the recording of NELSON admitting to shooting T.N. During the interview, Daniel stated that he recorded NELSON with his iPod in his shirt pocket on January 31, 2024, while Daniel and NELSON were at the **SUBJECT PREMISES** (Daniel and NELSON’s parents’ residence). Daniel identified the **SUBJECT PREMISES** by providing its GPS Coordinates: 36°57'36"N 110°51'48"W. Daniel stated that NELSON is paid to be the caretaker of their elderly parents; as part of his caretaking responsibilities, NELSON goes to the **SUBJECT PREMISES** each morning to take care of them. Daniel said that after the shooting occurred that evening, he saw NELSON at the **SUBJECT PREMISES** as NELSON was assisting their parents with getting to bed.

9. Additionally, during his interview, Daniel stated that that NELSON sells alcohol and drugs, and that NELSON has two safes: one at his residence, and one at the **SUBJECT PREMISES**. Daniel identified NELSON’s house by providing the following GPS Coordinates: 36°58'48"N 110°55'14"W. Daniel also stated that NELSON stores drugs and firearms in the safe at the **SUBJECT PREMISES**, and that NELSON and his wife, Brooklyn Nelson, hide drugs in a grey diaper bag.

Daniel added that NELSON possesses various firearms and has stood in a truck bed holding a firearm as he was driven around Daniel's residence. Daniel stated that it is normal for NELSON to drive around with a firearm in his vehicle.

10. On April 11, 2024, FBI Computer Analysis Response Team examiner SA Joshua Arndt extracted the data from Daniel's iPod. On April 17, 2024, I reviewed the recording Daniel made on his iPod. The recording contained statements by NELSON admitting to shooting T.N. Specifically, NELSON stated that he "pulled that .22 out" and told T.N., "Fuck you [T.N.], you stole my shit." NELSON then stated that "[T.N.] ran at me and swung at me so I stepped back like this and pulled that out...and boom, you gonna fucking fight with me I ain't got time for that, I'm too old." NELSON also said that he "shot him in the leg," referring to T.N.

11. On April 22, 2024, Coconino County, Arizona Office of the Medical Examiner issued a final report classifying T.N.'s death as a homicide attributed to gunshot wounds to the left thigh and right knee area. T.N. was identified through fingerprint analysis.

12. On May 31, 2024, Daniel provided me with images of the two vehicles NELSON is known to drive. One image shows a white GMC Sierra bearing Arizona license plate number T9A4BF, and the other image shows a grey Ford F150 bearing Arizona license plate number MDA1B8A.

13. On June 3, 2024, I reviewed NELSON's vehicle registration records and identified two Ford F150 trucks, and one GMC Sierra truck registered to NELSON. The GMC Sierra is registered with Arizona license plate BVA3CJ, and the Ford F150s are registered with license plate numbers T9A4BF and MDA1B8A. It therefore appears that NELSON removed plate number T9A4BF from one of the Ford F150s and put it on the GMC Sierra. Because NELSON apparently switched license plates from the vehicle they are registered to, I cannot utilize vehicle registration

information to confirm the vehicle identification number of the Ford F150 truck further described in Attachment A.

14. As evidenced by his Certificate Degree of Indian Blood, NELSON is an enrolled member of the Navajo Nation Indian Tribe, which is a federally recognized tribe.

15. On May 21, 2024, a federal grand jury returned an indictment charging NELSON with CIR-Second Degree Murder, in violation of 18 U.S.C. §§ 1153 and 1111.

**ITEMS TO BE SEARCHED FOR AND SEIZED**

16. Based upon the facts contained in this Affidavit, I submit there is probable cause to believe that the items listed in Attachment B will be found in the **SUBJECT PREMISES**, described in Attachment A.

17. Based on my training, education, and experience, I believe that items and/or evidence related to the shooting of T.N. may be found in the **SUBJECT PREMISES**. I seek permission to search the **SUBJECT PREMISES** for the firearm-related evidence pertaining to the homicide of T.N. I further request to seize documents related to indicia of occupancy of the **SUBJECT PREMISES**.

18. Based on my knowledge, training, education, and experience, suspects often leave behind evidence from the commission of the offenses they commit. Thus, I am seeking a warrant to search for evidence related to death investigation of T.N., including the recovery of any bullets, spent shell casings, and any weapon to include firearms related to the death investigation of T.N. as further described in Attachment B.

19. Additionally, based on my training and experience, it is also known that indicia of ownership and/or occupancy is important in a criminal case. Such information may help establish (among other things) potential suspects and potential witnesses. It also can establish or help establish possession or control of the premises, knowledge, and intent. Based on my training and

experience, indicia of ownership and occupancy includes such things as: mail (e.g., bills) showing a person's address; ownership documents such as deeds, tax documents, or bills of sale; leases or rental documents; identification cards; and photographs of the owners and/or occupants at or within the house or residence.

20. The things to be searched for and seized are described further in Attachment B.

### **CONCLUSION**

21. This affidavit is sworn telephonically before a United States Magistrate Judge legally authorized to administer an oath for this purpose.

22. Based on the information in this affidavit, I respectfully submit there is probable cause to believe that evidence described in **Attachment B** supporting an investigation related to violations of 18 U.S.C. §§ 1153 and 1111 (CIR-Second Degree Murder) and 18 U.S.C. §§ 1153 and 113(a)(6) (CIR-Assault Resulting in Serious Bodily Injury), will be found in the premises described in **Attachment A**.

23. **Pursuant to 28 U.S.C. § 1746(2), I declare that the foregoing is true and correct to the best of my knowledge and belief.**
